Family Moment:

Life is hard, sometimes. Trouble happens. Talk with your family about how we should respond? What lessons does Job teach us about ourselves? Our friends? What have we learned about the heart of the Father?

Monthly Musing

How should I respond, react, and live when I experience difficult times?

Scripture Writing

Take some time to copy out the following passages. Focus on where we have been and set your heart for where the Father is leading.

“Then Job arose and tore his robe and shaved his head and fell on the ground and worshipped. And he said, ‘Naked I come from my mother’s womb and naked shall I return. YHWH gave and YHWH has taken away. Blessed be the name of YHWH.’” ~Job 1:20-21

“Though he slay me, I will hope in him; yet I will argue my ways to his face.” ~Job 13:15

“For I know that my Redeemer lives, and at the last he will stand upon the earth.” ~Job 19:25

And the Lord restored the fortunes of Job, when he had prayed for his friends. And the Lord gave Job twice as much as he had before. ~Job 42:10

BONUS Write: ~Job 5:8-27

If your god lets you do whatever you want, then your god is really you.
